
Seyed Kazem Malakouti

Prof. of Psychiatry

Fellowship in geriatric psychiatry

Suicidologist, Suicide Behaviors Study and prevention Division

malakoutik@gmail.com malakouti.k@iums.ac.ir

SUMMARY

[linkedin.com/in/kazem-malakouti-31545842](https://www.linkedin.com/in/kazem-malakouti-31545842)

<https://scholar.google.com/citations?hl=en&user=rdyBkI0AAAAJ>

Education

University of Illinois at Chicago

09/2000-03/2001

- Neuropsychiatry and geriatric psychiatry

University of Welfare and Rehabilitation Sciences

1998 -1999

- Geriatric psychiatry fellowship

Shahed University

2012-2013

- Management Business Administration (400 credits)

Beheshti University of Medical Sciences

1989-1992

- Board of psychiatry from Beheshti University of Medical Sciences

Appointments & Managerial Activities

Iran University of Medical Sciences

- Professor of Psychiatry — School of Medicine
- Founder of Gerontology (Master level), School of Behavioral Sciences and Mental Health 2018.
- Founder of Psychogeriatric Fellowship course — School of Medicine, 2017
- President — Department of Geriatric Medicine department,2013-2015.

- Founder of Geriatric medicine department — 2013
- Head of World Health Organization (WHO) collaborating center for mental health, since 2023
- Founder of “Geriatric Health Research Center”, since 2021.

Specialty fields

Geriatric, Memory Clinic, Suicide Prevention

International studies

- Fleischmann A, Bertolote JM, De Leo D, Botega N, Phillips M, Sisask M, Vijayakumar L, Malakouti K, Schlebusch L, De Silva D, Nguyen VT, Wasserman D. Characteristics of attempted suicides seen in emergency-care settings of general hospitals in eight low and middle-income countries. *Psychological Medicine*. Vol.35, no. 4. 2005, 1467-1474.
- Providing mental health guidelines for workplaces. WHO international teamwork. 2020-2021
- Evaluation of national suicide program contributed by WHO and International Association for Suicide Prevention (IASP) experts
- Suicide behaviors study across Eastern Mediterranean Region: A systematic review. Requested by WHO/EMR

International membership

- Member of the International Association of Suicide Prevention
- Member of the International Neuropsychiatric Association

Current research activities

- Providing a mobile application for suicide prevention: safety plan
- Cognitive Vulnerabilities in Depression and Suicidal Behavior: A Neuroimaging Study
- Implementing a suicide registration program
- Providing normative neuropsychological and hippocamp volumetry data for healthy elderly

I. EDUCATION & QUALIFICATION

- Management Business Administration, one-year training course (400 credits), Shahed University, 2012.
- Neuroimaging in Dementia Webinar Series: Dopaminergic Imaging and Guidelines, 24 May 2011, International Psychogeriatric Association.
- Neuroimaging in Dementia Webinar Series: Perfusion SPECT and PET, 10 May 2011, International Psychogeriatric Association.
- Neuroimaging in Dementia Webinar Series: May 2011, International Psychogeriatric Association.
- Neuroimaging in Dementia Webinar Series: Perfusion SPECT and PET, 10 May 2011, International Psychogeriatric Association.
- Clinical epidemiology educational course, three months, department of Social Medicine and Epidemiology, Medical Faculty, Iran University of Medical Sciences, 2010.
- Neuropsychiatry and geriatric psychiatry: in-state University of Illinois at Chicago, six months, 2000-2001.
- Geriatric psychiatry fellowship: University of Rehabilitation Sciences: 6 months, 1998-1999.
- Residency in Psychiatry: Shahid Beheshti University of Medical Sciences: 1989-1992.
- Electroencephalography for eimonthsonth under supervision of Dr. Moazami (Neurologist), University of welfare 1994.
- Work as a general practitioner: 1988-1989
- Medical school: Esfahan University, 1977-1986

II. PROFESSIONAL EXPERIENCES & ACADEMIC DEGREES

- Founder of Gerontology, Master level, Iran University of Medical science, School of Behavioral Sciences and Mental Health, 2018.
- Founder of Psychogeriatric Fellowship course, Iran University of Medical Sciences, School of Medicine, 2017
- Department of Geriatric Medicine department, head. 2013-2015.
- Founder of Geriatric medicine department, Iran University of Medical Sciences, 2013.
- Member of the National BoardGeriatricatic Medicin, since 2013.
- Participate in educational programs and field visits from community mental health services of Trieste and Udine, Italy. Arranged by WHO representative in Iran and Mental Health Bureau of Ministry of Health of Iran. 27 SEP – 1 OCT, 2010.

- Executive Secretary of “The First National Seminar on Schizophrenia and Chronic Mood Disorders: Service Delivery and Psycho-social Rehabilitation” 19-21 May 2009. Organized by the Iranian Society for Individuals with Schizophrenia (ISIS).
- Executive Secretary of “The First National Symposium of Study of Suicide Behaviors and Prevention Strategies in Iran” organized by department of psychiatry, Iran University of Medical Sciences, 22-23 FEB, 2009.
- Associate Prof. of Psychiatry, 2005-present
- Iran University of Medical Sciences: Assistant Prof. of psychiatry: 1994- 2005
- Zahedan University of Medical Sciences: Assistant Prof. of psychiatry: 1992 – 1994
